

ADVANCE OF TEUTONS IN POLAND IS CHECKED

(By Associated Press.)

LONDON, July 29.—The German endeavor to capture Warsaw has not progressed since Tuesday, according to Petrograd and Berlin. Petrograd reiterates its assertions that the German advance has been checked. Observers believe that perhaps both sides are pausing in their vast operations between the Bug and the Vistula to rearrange their forces. Another fine of a million dollars has been imposed on Brussels by the Germans in consequence of the destruction of a Zeppelin dirigible, says a dispatch. It is presumed to be the result of the attack made by British airmen in June when aviation sheds at Evere, near Brussels, were destroyed.

FROZEN MEAT FOR TRENCHES OF ALLIES

(By Associated Press.)

LONDON, July 29.—The allied armies are today depending on frozen meat, said the Hon. Thomas MacKenzie, high commissioner for New Zealand, at the annual meeting of the Cold Storage and Ice association, of which he is the new president. "We were told after the Boer war," he continued, "that frozen meat saved the situation." After the present European war is over we shall find that frozen meat has performed as vital a function on an incomparably larger scale.

BIG STRIKE REPORTED NEAR OLD TUSCARORA

According to a report which reached here this morning, Tuscarora promises to again be listed with the active mining camps of the state. Jess Workman, one of the best known prospectors in the west, the discoverer of National and other big properties, has been working about seven miles from Tuscarora since last August, and he is reported to have struck another bonanza. It is a gold-silver proposition and, according to reports, is the highest strike made in Elko county in years. — Elko Independent.
